NOTICE OF ALLOWABILITY

Reasons for Allowance

1. Claims 1-33 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 1-33 are allowable because the prior art alone or in combination does not teach or fairly suggest a shielded package and method therefor, comprising a die and a substrate, wherein a conductively coated polymer shield defines a cavity around at least a portion of the die, and an insulative conformal coating is disposed over the conductively coated polymer shield so as to encapsulate the die, taken in combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
